

# \$950 Order = Free Freight!

**The Industry's BEST  
Free Freight Program**

Offer good in 48 contiguous states. Offer good only on published catalog prices and on in stock items. Special requirements such as liftgate or COD will be at customer's expense. Continental Awards & Trophies will choose shipping location and carrier.

Note on PDU Products: While we can ship PDU products anywhere in the US, we do not stock these items in our Los Angeles warehouse. Because of that, we do not offer free freight on PDU products to areas that are normally served out of Los Angeles.
